MESSAGE OF VICE CHANCELLOR

It is indeed a great pleasure for me to welcome the new medical students at Chandka Medical College (CMC), Ghulam Muhammad Mahar Medical College (GMMMC) and Bibi Aseefa Dental College (BADC) for the year 2023– 2024 at SMBBMU Larkana.

Congratulations to all of you for choosing to study the great field of medicine and dentistry at SMBBMU. We hope to make it a fruitful and enjoyable experience for you!

Although medicine and dentistry are considered to be one of the most challenging areas of study, these are also one of the most rewarding and fulfilling professions. It demands persistent motivation and hard work along with dedicated long hours of study to achieve the level of competence required for a good doctor.

Living on a university campus is a life-changing experience for everyone. Here, you will not only be learning the art and science of medicine but will also be socializing, making friends and developing life-long relationships. During these five years, you will be exposed to vast amounts of medical knowledge, scientific research and clinical skills. However, it is equally important, if not more, to learn the right attitudes and behaviors expected of a good physician. We hope to inculcate among you the professional values of honesty, integrity, respect, empathy and compassion to help you to develop into mature and confident physicians of tomorrow. Being the custodians of health of the society, you need to gain the trust of the people. This matches with our vision and mission of serving our local, national and global communities.

At SMBBMU, we strive to provide good quality education and a positive learning environment for the students. We encourage a culture of diversity, inclusion and non-discrimination where each student brings their unique perspective and capabilities to enrich the university community.

In today's world of rapid advancements in technology and cut-throat competition, it is no longer enough to be just good in studies. Developing a holistic personality, and participating in sports and extra-curricular activities including debates, music, drama, and art are important for physical and mental wellbeing of students.

We hope to build a positive long-term relationship with all of you, first as our students, and later as our valuable alumni who would continue to give back to their alma mater!

Wish you all the best!

GENERAL INFORMATION

1.1 The Historical Background Of Shaheed Mohtarma Benazir Bhutto Medical University, Larkana

History of establishment of Shaheed Mohtarma Benazir Bhutto Medical University dates back, when Prof. Akbar Haider Soomro, former Principal & Chairman Academic Council Chandka Medical College, on 29th March 1989, during the 1st tenure of Peoples Party's Government requested Honourable, (the then), Prime Minister, Mohtarma Benazir Bhutto, for upgrading Chandka Medical College to the University during the 1st convocation, chaired by her, as 1st Woman Prime Minister of the Islamic World.

The request was fully supported and applauded by 500 graduates of CMC to which Mohtarma Benazir Bhutto Shaheed gave a nod.

Subsequently, the dream of establishing a medical university in Larkana was fulfilled through announcement by the then Chief Minister of Sindh, Syed Qaim Ali Shah, at Garhi Khuda Bux, on 12th April 2008. This announcement gave hope to the faculty of CMC and people of Larkana and brought jubilation for them.

After the announcement of university by Honourable Chief Minister Sindh, the efforts were enhanced to complete the formalities towards preparation of act for the university to be presented in Sindh Assembly in the form of bill. The bill for Shaheed Mohtarma Benazir Bhutto Medical University was presented and unanimously passed by Sindh Assembly on 12th September 2008. The act was sent to Honourable Governor of Sindh for Assent and subsequently the Act was notified on 18th October 2008.

The Ground-Breaking Ceremony of the university was performed by the then President of Islamic Republic of Pakistan, Mr. Asif Ali Zardari, on 30th December 2009. A team of Higher Education Commission (HEC) officials, along with medical experts visited the university and accredited it.

Message from Principal Ghulam Muhammad Mahar Medical College-Sukkur

In the vibrant landscape of Sukkur, where the mighty River Indus gracefully winds its way, a beacon of medical education and healthcare excellence emerges – Ghulam Muhammad Mahar Medical College (GMMMC). Nestled between Lansdowne Bridge and Lloyd’s Barrage, our institution stands as a testament to the foresight of our leaders and the aspirations of the community.

On the eve of September 2nd, 2003, the foundation stone of GMMMC was laid by the visionary Sardar Ali Muhammad Khan Mahar, then Chief Minister of Sindh. Since its inception, our college has been a cornerstone in meeting the escalating demand for medical education and healthcare services in upper Sindh.

Embraced by the hilly terrain, GMMMC Sukkur has flourished into a hub of academic brilliance and medical prowess. From its inaugural class in October 2003 to the present, we take pride in our graduates who have not only excelled in various fields but have also pursued further studies, in national and international institutions.

At the heart of our success lies a commitment to nurturing not only MBBS students but also fostering advanced medical education. Our distinguished faculty, comprised of seasoned professionals, extends their expertise to disciplines beyond MBBS, encompassing FCPS, MCPS, MD, MS, and Diplomas in various clinical specialties. Moreover, we proudly offer MPhil and PhD programs in the basic sciences.

Housed within the picturesque buildings of Directorate Health Services, Sukkur, Masoom Shah Hostel Sukkur, Health Technician School, and the state-of-the-art library building, GMMMC Sukkur blends tradition with modernity.

The accolades bestowed upon us by the Pakistan Medical & Dental Council, Federal Ministry of Health, and inclusion in the World Health Organization’s gazette are a testament to our commitment to excellence. Affiliated with Shaheed Mohtarma Benazir Bhutto Medical University (SMBBMU), Larkana, GMMMC Sukkur continues to stride towards becoming a center of medical distinction.

Our commitment to growth is reflected in the acquisition of a sprawling 53.8-acre complex near Sukkur Township, housing not only GMMMC but also a 1200-bed teaching hospital. The vision extends beyond structures; it encompasses a holistic approach to medical education and patient care.

In our pursuit of excellence, we have spared no effort in creating an environment conducive to learning. Our laboratories boast the latest equipment, anatomy models, and an array of resources to fuel the curiosity of our students. Seminar rooms, museums, and well-equipped libraries further enhance the academic experience.

In recognition of the climatic nuances, our academic buildings are fully air-conditioned, providing a comfortable setting for learning. Adopting modern teaching methodologies with cutting-edge audiovisual aids, we strive to make the learning journey at GMMMC both enriching and technologically advanced.

As we stand on the cusp of a new era with the promise of a sprawling new complex, we invite you to be part of our journey. Join Ghulam Muhammad Mahar Medical College Sukkur, where the pursuit of knowledge meets the commitment to healing, and together, we shape the future of healthcare.

MESSAGE OF PRINCIPAL

Dear students and other all the concerned,
I greet you very warmly as we embark on four-year BS Nursing (Generic) programme and also want to reiterate a few things, which must be remembered; as we should work hard together to achieve the goals and reach the heights of the right perspective and students must remember the purpose of the value of education and also the importance of the time/opportunity needed for success and use it effectively.

It would be persistent in your studies, learn to enjoy hard work, specially studies and think wisely and systematically, being positive and never be negative and think well of others as you think of yourself and always prepare the next day's lesson, being very serious and attentive in class, to be a soldier to protect and preserve our traditions and territories.

Benazir College of Nursing, Larkano supports the students to achieve their goals, qualified, experienced and dedicated faculty/non-faculty with excellent infrastructure, standard quality equipment, spacious air-conditioned rooms, beautiful building with many facilities.

Further, I encourage all the students to take advantage of the opportunities offered by the institute and participate in all the extracurricular activities offered. The reward for every good deed is "good" and only and not vice versa.

We hope your time with us will be inspiring and rewarding because the educational institution has co-education, the students take care of moral values to maintain religious and cultural boundaries and also hope that the institution will strengthen its academic qualifications to maintain world wide standard of Benazir College of Nursing, Larkano in light of policy, protocol of Shaheed Mohtarma Benazir Bhutto Medical University, Larkano to raise worthy students, who will prove their abilities.

Further, wishing you a promising, fruitful and successful career in your future endeavors ahead.

Ghulam Abbas Panhwar (MSN),
Associate Professor Nursing,
In-charge Principal,
BCON - SMBBMU Larkana.

Despite our efforts to prevent and relieve, there is still a terrible amount of sufferings in the world, while the rate of illness and death from infectious diseases and malnutrition have gone down in developed countries. The same rates from cancer and circulatory diseases have risen. Genetic defects, accidents and violence take their toll; population density makes impact of natural disasters worse than it once was. Although medical science has helped us to achieve longer life spans, we often require medical assistance to live through those extra years. As much as we need doctors, there is also need of nurses to save human lives.

OBJECTIVES OF NURSING EDUCATION:

1. To prepare a professional and technically-skilled nurses, competent to give a comprehensive nursing care to individual, families and communities in sickness and health.
2. To prepare the student with guidance to take up leadership position in the teaching and the nursing practice, in hospitals and community health agencies.
3. To provide the opportunities and experiences, which would enable the student to develop and maintain effective interpersonal relationship with professional and Non-professional personnel.
4. To provide the student with knowledge and learning experiences, which would enable them as a nurse to function with increasing ability as an effective citizen and a representative of profession.
5. To provide those experiences and opportunities that would enable and motivate the nurse to enlarge capacity for own professional growth and to contribute towards the improvement and growth of nursing.
